

FLIGHT P

ADJUSTABLE BASE

LP Comfort
Connect™

Take your bedroom experience to the next level with LP Comfort Connect Technology. Control your adjustable base with voice commands and make it part of your smart home routines.

Flight P is a high-value, feature-focused adjustable base from Leggett & Platt that is foldable and parcel carrier-friendly. It is a low-profile, zero clearance base that pairs well with most platform and slat beds. Flight P features head and foot articulation with independent pillow tilt so the user can find the exact comfort position that suits them best. Dual massage wave feature and a wireless remote with programmable custom positions are included as well.
