HEAD/FOOT UP

The **Lifestyle™** is a perfect choice for those who value Wallhugger technology and a wired remote control over other optional features available in an adjustable foundation.

Features & Benefits

- > **Motor:** Available in Whisper Quiet (DC) or Powerlift™ (AC) motors.
- > **Wired Remote Control:** Attached to the base is a wired remote control with a simplified touch key configuration. Optional feature is a wireless remote.
- > **Wallhugger®:** Equipped with the Wallhugger® feature to position the bed while maintaining continuous distance from the wall, keeping your bedside table within easy reach.
- > **Mobility:** Optional mobility is provided by twin wheel locking casters.
- > Variable height options are available as an accessory to match existing luxury bed profiles and to match existing bedroom furniture heights.
- > Raise and lower the head and foot sections to your desired comfort position.
- > Available in traditional boxspring appearance.

Leggett & Platt Exclusives

- > Free-fall design is a safety feature allowing head and foot sections to lower by gravity only.
- > All Leggett & Platt components are UL listed, Made in the USA, FR 1633 compliant and have a Lifetime Limited Warranty.
